Skills Building and Information

Computers for Beginners

Do you want to learn the basics of how to use a computer? This beginner class is just right for you! Join this 8-class program and learn about the parts of a computer, how to type, how to use the internet, and much more! Email Jeff for more information or to register.

Mondays and Wednesdays starting May 5 from 10 am to 12 pm

Bridging the Digital Divide

Whether it's by computer, smart phone or tablet, technology is a part of our daily lives. In this 8-session course, you will learn about some of the everyday digital skills everyone needs to thrive. We will talk about online banking, email, CRA accounts, online shopping, social media and so much more. Email Jeff for more information or to register.

Tuesdays and Thursdays starting May 6 from 4 to 6 pm

Computer Skills for Employment Level 1

This course is for people who are comfortable using a computer but would like learn more about Microsoft Office. In this course, we'll learn the basics of Word and Excel, learn about video and chat functions in business, and much more. Basic computer skills are required and you will need to take an online test to be eligible to register. Email Jeff for more information or to register.

Wednesday and Fridays starting May 7 from 4 to 6 pm

University Smart

Are you interested in university, or are you already registered as a student? In this 4-session program, you'll learn about admissions, getting a student loan/funding, how to register for classes, how to find textbooks, etiquette with professors, finding transportation, how to manage finances, and study skills. Please contact Janelle for more information or to register.

Tuesdays from May 13-June 3, 1 to 3 pm

Safety 101 Series

This is a 5-lesson safety program, which will cover Home Safety, WHMIS, and Food Safety. All safety sessions need to be attended in order to take the Food Safety course. Minimum CLB 4+. WHMIS and Food Safety certificates will be provided after passing the course. Please contact Janelle for more information.

May 15, 1 to 3 pm, May 16 & 21, 1 to 4 pm, May 22, 1:30 to 4:30 pm, May 23, 1 to 3 pm

Navigating Parenting

Join this 4-week program to learn more about raising children in Canada. Topics will include: Love languages, a child's brain, positive discipline, and navigating parenting (laws on discipline, school snacks and lunches, etc.). Open to parents with children of all ages. Please contact Janelle for more information or to register.

Fridays, May 23-June 13 from 10 am to 12 pm

Driving Theory

Join us in-person to learn the traffic rules and all the steps to attaining your Saskatchewan driver's license. Contact Kris for more information.
